

Soundbranding

- new PR and presentation opportunities for companies, products, brands and events.

Soundbranding - a new dimension and a new way of reaching key markets and key customers through instrumental quality music and compositions.

MusicVenture and Klaus Schønning presents unique opportunities of creating specialized productions and products based on instrumental keyboard music - for the wellness industry, sports, events, companies, coaching and other presentation and PR opportunities.

Skodsborg SPA Moments CD

"Skodsborg SPA Moments with the music of Klaus Schønning is an excellent selection of relaxing music that completes our product offering within the SPA and wellness area. At the same time it is a part of our promotion of Skodsborg Kurhotel & Spa as one of the leading SPA and wellness resorts in Denmark".
Henrik Andersen, Managing Director Skodsborg Vigør Center.

Booklet

"Music presents unique opportunities to enhance attention and experience of sport before, during and after an event or game",
Lars Wiskum, Partner.
